

EPISCOPAL CHURCH MUSIC DIRECTOR FOR CHILDREN'S AND YOUTH CHOIRS (P/T)

St. Paul's Episcopal Church, Albany, GA, is seeking a part-time Director to establish and build a music program for children and youth.

Founded in 1851, St. Paul's has served as one of the primary downtown Albany churches since its founding. The church welcomes all who wish to worship here. We recently hired an experienced and degreed Director of Family Ministries who is focused on children and youth. The Church is blessed with scores of children and youth.

We also recently hired an outstanding Music Director who will work with the Chancel Choir. We have already a gifted organist. Our clergy and vestry are committed to developing a comprehensive music ministry that includes all ages.

For the Children's Choir and Youth Choir, we are looking for an energetic choral musician who enjoys young people and can build programs with enthusiasm and has a proven ability to connect with children and youth. An appreciation and knowledge of Episcopal (or Catholic) liturgy is desirable.

We estimate that the job will require an estimated 6-8 hours per week. Reporting to the Rector, the position will work closely with the new Director of Family Ministries and the Music Director. A degree in Music or Music Education and experience are strongly preferred.

Resumes and letters of interest should be sent no later than July 15 to:
