LEAPIN LIZARDS! *The popular comic strip heroine takes center stage in one of the world's best loved musicals.*

Set in New York City during the depths of the Depression in December of 1933, ANNIE is the ultimate Cinderella story. It recounts the adventures of a little girl searching for her lost parents. Eleven year old Annie attempts an escape from the municipal orphanage and the alcoholic clutches of the hilariously mean and scheming Miss Hannigan. During her many exploits, Annie befriends a stray dog named Sandy, and crosses the path of some very interesting characters, including billionaire Daddy Warbucks. Ever optimistic, Annie wins the help and the hearts of everyone she meets. ANNIE is full of well known songs such as "You're Never Fully Dressed Without a Smile" and the immortal "Tomorrow" that will have you humming and singing all the way home.
