

St. Andrew's School is an independent pre-kindergarten through 12th grade, college preparatory school in Savannah, Georgia. St. Andrew's is devoted to a student-centered approach to teaching and learning, and regularly integrates project-based learning and technology into the curriculum. St. Andrew's School strives to create an engaging and meaningful learning environment for students with small class sizes, a wide range of course offerings, and numerous electives and extracurricular opportunities to allow students to explore and pursue individual interests. We strive to address the social and emotional needs of our students in addition to instilling a motivation to be life-long learners and active members of their community. St. Andrew's School expects the following of all our teachers, and we are committed to the on-going support of faculty in maintaining these standards:

- Teachers are committed to students and their learning.
- Teachers are responsible for managing and monitoring student learning.
- Teachers think systematically about their practice and learn from experience.
- Teachers are members of learning communities.
- Teachers are dedicated to 21st Century pedagogy and are comfortable utilizing  technology in the classroom to supplement instruction.
- Teachers are excellent communicators.

St. Andrew's has an opening for band director for the 2017-2018 school year. Responsibilities of the band director include:

- Directing band ensembles for grades 3-12.
- Teaching some general music classes in Lower School.
- Involvement in musical theater productions.
- Organization of band concerts.

Minimum Qualifications:

- A bachelor degree in music, music education, conducting, or a closely related field.
- Experience directing band ensembles.
- Experience working with young students in general music education.
- The ability to work within a team to develop fine arts programming such as arts festival and musicals.

Preferred Qualifications:

- A graduate degree in music, music education, conducting, or a closely related field.
- 3-5 years teaching/directing band ensembles.
- Knowledge and/or experience working in an independent school environment.
- Knowledge and familiarity with iPads and Apple technology.
- Knowledge and/or experience with the IB philosophy and curriculum.

Specific duties beyond teaching include course development and implementation, student advising, faculty committee work, club/activity advising, and small community jobs shared by all faculty.
